

Medical Declaration: Groups A and B

Creativity: Schizophrenia's 'Missing Link'? (IRAS ID: 225295)

We are asking if you would like to take part in a research project that is interested in creativity and schizophrenia. Before you consent to participate in this study, we ask that you read the participant information sheet. In addition, we ask that you read each of the statements below and mark each corresponding line with your initials if you agree. If you would like to ask questions before signing the medical declaration, please contact the chief investigator, Oliver Delgaram-Nejad (16060701@stu.mmu.ac.uk).
